A Mr. Lewis left me a voice mail message in answer to my voice mail inquiry as to the status of the Certificate of Correction in the above-identified Patent. Mr. Lewis told me to fax our postcard acknowledgement to this fax number; however there is no postcard due to the following reason:

As I explained in my original voice mail message, we did not send the request for the Certificate of Correction. **It was requested by Duane S. Smith at the PTO after we were granted a petition to add an inventor to this Patent.** Mr. Smith forwarded the request for a Certificate of Correction to your branch. A copy of the Decision on Petition and the correspondence from Mr. Smith to your branch, including the Certificate, are attached to this fax.

Please call me at (216) 566-9700, Ext. 116 to discuss the status of this matter further.

Thank you,

Lori J. Martin
